

Dream® Non-Dairy Yogurt Receives Non-GMO Project Verification

September 29, 2016

Almond Dream® and Coconut Dream™ Non-Dairy Yogurts Earn Non-GMO Project Verification

LAKE SUCCESS, N.Y., Sept. 29, 2016 /PRNewswire/ -- We are pleased to announce that all flavors of Dream® Non-Dairy Yogurt have earned verification from the Non-GMO Project, a mission-driven nonprofit organization dedicated to building and protecting a non-GMO food supply. These products include Almond Dream® and Coconut Dream™ refrigerated non-dairy yogurts that contain live and active cultures. Available in a wide range of flavors including Vanilla, Strawberry and Mixed Berry, they provide a solution for consumers seeking a dairy-, gluten- and/or soy- free lifestyle or for those who just want to enjoy these delicious flavored yogurts.

"Dream® Non-Dairy Yogurts have always been made with high quality ingredients, and the verification from the Non-GMO Project provides an additional level of assurance to our consumers and customers," said Basel Nassar, Chief Operating Officer of Hain Refrigerated Foods Division. "The Non-GMO Project is such a trusted organization and provides a rigorous approval process from ingredient sourcing through manufacturing to ensure that genetically modified organisms (GMOs) are not intentionally added to products. We are proud to carry their seal on our products."

Look for the seal appearing on packaging immediately. Dream® Non-Dairy Yogurts are perfect for snacking, adding to smoothies or enjoying with your favorite toppings. They also make a great ingredient in your favorite baking, dressing and dip recipes!

Almond Dream® and Coconut Dream™ are brands of The Hain Celestial Group, Inc. (Nasdaq: HAIN), a leading natural and organic products company with operations in North America, Europe and India providing consumers with A Healthier Way of Life™.
