

Hain Celestial Completes Strategic Sales of the Casbah® and Europe's Best® Brands

March 19, 2020

Company Continues to Execute on Transformational Strategic Plan

Lake Success, NY, March 18, 2020—The Hain Celestial Group, Inc. (Nasdaq: HAIN) (“Hain Celestial” or the “Company”), a leading organic and natural products company with operations in North America, Europe, Asia and the Middle East providing consumers with A Healthier Way of Life™, today announced that it has completed divestitures of the Casbah® and Europe's Best® brands to U.S. Durum and Nature's Touch Frozen Foods, respectively. Details of these transactions were not disclosed.

Mark L. Schiller, Hain Celestial's President and Chief Executive Officer, commented, “These two Canadian strategic brand divestitures represent another important step in the execution of our transformational strategic plan by further simplifying the portfolio and organization and improving our margins and cash flow. The transactions allow us to focus more resources against fewer, bigger opportunities which will drive our long term financial performance.”

Safe Harbor Statement

Certain statements contained in this press release constitute “forward-looking statements” within the meaning of federal securities laws, including the Private Securities Litigation Reform Act of 1995. Forward-looking statements are predictions based on expectations and projections about future events and are not statements of historical fact. You can identify forward-looking statements by the use of forward-looking terminology such as “plan”, “continue”, “expect”, “anticipate”, “intend”, “predict”, “project”, “estimate”, “likely”, “believe”, “might”, “seek”, “may”, “will”, “remain”, “potential”, “can”, “should”, “could”, “future” and similar expressions, or the negative of those expressions, or similar words or phrases that are predictions of or indicate future events or trends and that do not relate solely to historical matters. You can also identify forward-looking statements by discussions of the Company's strategic initiatives, including productivity and transformation, and our future performance and results of operations.

Forward-looking statements involve known and unknown risks, uncertainties and other factors which may cause the actual results, levels of activity, performance or achievements of the Company, or industry results, to be materially different from any future results, levels of activity, performance or achievements expressed or implied by such forward-looking statements, and you should not rely on them as predictions of future events. Forward-looking statements depend on assumptions, data or methods that may be incorrect or imprecise and may not be able to be realized. We do not guarantee that the transactions and events described will happen as described (or that they will happen at all). Such factors include, among others, the impact of competitive products and changes to the competitive environment, changes to consumer preferences, the United Kingdom's exit from the European Union, consolidation of customers or the loss of a significant customer, reliance on independent distributors, general economic and financial market conditions, risks associated with our international sales and operations, our ability to manage our supply chain effectively, volatility in the cost of commodities, ingredients, freight and fuel, our ability to execute and realize cost savings initiatives, including SKU rationalization plans, the impact of our debt and our credit agreements on our financial condition and our business, our ability to manage our financial reporting and internal control system processes, potential liabilities due to legal claims, government investigations and other regulatory enforcement actions, costs incurred due to pending and future litigation, potential liability, including in connection with indemnification obligations to our current and former officers and members of our Board of Directors that may not be covered by insurance, potential liability if our products cause illness or physical harm, impairments in the carrying value of goodwill or other intangible assets, our ability to consummate divestitures, our ability to integrate past acquisitions, the availability of organic ingredients, disruption of operations at our manufacturing facilities, loss of one or more independent co-packers, disruption of our transportation systems, risks relating to the protection of intellectual property, the risk of liabilities and claims with respect to environmental matters, the reputation of our brands, our reliance on independent certification for a number of our products, and other risks detailed from time-to-time in the Company's reports filed with the United States Securities and Exchange Commission, including our most recent Annual Report on Form 10-K and our subsequent reports on Forms 10-Q and 8-K. As a result of the foregoing and other factors, the Company cannot provide any assurance regarding future results, levels of activity and achievements of the Company, and neither the Company nor any person assumes responsibility for the accuracy and completeness of these statements. All forward-looking statements contained herein apply as of the date hereof and, except as required by applicable law, the Company disclaims any obligation to publicly update or revise any forward-looking statement to reflect changes in underlying assumptions or factors or new methods, future events or other changes.
