HOBOKEN, N.J., July 31, 2024 /PRNewswire/ -- Back-to-School season is upon us, and with it comes back-to-packing-lunches, back-to-car-pools and back-to-back commitments for busy parents and kids. Meal Prep Like a Pro

Breakfasts and lunches that are nutritious and delicious? Back-to-school win.

- A filling and protein-packed breakfast can set the tone for the entire day. Start it right by spreading velvety

smooth **MaraNatha® Creamy No Stir Almond Butter** on toast or mixing it in oatmeal. Natural and organic, MaraNatha also offers a peanut butter option that's perfect for a better-for-you take on the classic PB&J for lunch.

- Greek Gods® Yogurt brings the delicious taste and silky smooth texture of a Greek-style yogurt without the tang. Let each member of the family top **Greek Gods® Traditional Plain Yogurt** with their favorite fruit, honey or granola for a fun start to the day or a great addition to their lunch.

Satisfy Carpool Companions

Let's face it: Fall's on-the-go schedule is just as busy for the rest of the family as it is for school-aged children.

- For an elevated, salty snack for mom or dad, snag a bag of **Terra® Original Vegetable Chips**, which features a unique mix of sweet potato, earthy parsnip, golden kettle potato and mildly sweet batata, crisped into chips and seasoned with sea salt. Simple and delicious.
- And for the youngest family member tagging along from pick-up to practice? Stock your bag with their favorite **Earth's Best® Organic Pouches** to keep little ones' bellies full and needs met. The brand's 6+ month pouches are made with organic ingredients and veggies to support little ones' love of good food, while the newest toddler smoothie pouches feature ingredients that offer brain support⁴ or immune support⁵.
